Dear Andrew and the Crest Team

On behalf of the students, parents and staff at St Gabriel's School, we would sincerely like to thank Crest Air Conditioning Pty Ltd for your generous donation of \$15,000 from monies raised from your golf day last year. It is through your gift that we can continue to provide our students with opportunities they deserve - the right to a quality education and happy future.

Please know that we would be thrilled to have you return to the school so that you can see the progress and smiles of students' faces as they enjoy your gift of playground equipment in our Kindy Courtyard.

Many thanks for your support.

Yours sincerely

Jon Franzin
Principal
